

U 11/12 – Junior Academy

Junior Academy

The Junior academy is a competitive program for players ages 10 to 14 and grouped in teams as U11/12 & U13/14 teams. The Winter development program is aimed at improving attributes of players in these primary areas; dribbling, speed of play, passing, finishing, speed and Agility work. Our players are encouraged to be creative, to be patient, to be dynamic and to outwork the opposition in an offensive defensive mindset. Our players (WSP) Win = ball recovery , settle = high percentage passes only and play = forward thinking motto is aimed to create better and much more efficient soccer players. The players train 3 days a week with one training match during the winter months

Video – matches are recorded and are made available to players.

Stats: Team match reports will be archived for all XSA players
