

# U 15/16 – College Pro

## College – Pro

The College – Pro teams are designed and are an excellent platform for young players interested in playing abroad or at local Universities. This program is open to players ages 14 to 20 and grouped as U14/ U15 & U16/ U20 teams. The players train 3 days a week with one training match during the winter months. Our target for the summer is to provide maximum exposure of these players to coaches at the next level of play via high quality friendly matches, ID camps and soccer showcase events. Progressive training methodologies, XSA 's Pro/College program is designed to cultivate champions and provided the players with the best possible opportunity.

Video – matches are recorded and are made available to players.

Stats: Team match reports will be archived for all XSA players to acquire Scholarship opportunities and professional soccer contracts.
