

U10 – Junior Pros

U10 Junior Pros

This program is open to players ages 8 to 10. The JP program is the foundation of Xuvia Soccer Academy. Here we put all of our focus on developing the most difficult skills required to play the sport of soccer. Players can only graduate once all skillset have been accomplished. The team will compete in test matches and take part in 2 training sessions per week. Dribbling, juggling, passing, receiving, ball control and many more fundamentals will be put to test 8-10 times per month. Futsal matches will be a better grade of the players individual attributes.
